Sir:

A corrected filing receipt is hereby requested in view of the errors which appear in the original. For the convenience of the Patent and Trademark Office, attached is a photocopy of the original receipt on which the errors have been highlighted. Specifically, the first-listed Japanese priority document is incorrect, and there are two typographical errors in the title. Japanese priority document 10-1859 should read "**10-18593**", and, in the title, "Commuciation" should read "**Communication**", and "Sustem" should read "**System**".

As the error was made by the Patent and Trademark Office, it is believed that no fee is due. However, please credit or debit Deposit Account No. 22-0185 as necessary to effect entry of the corrections.

Respectfully submitted,

Morris Liss, Reg. No. 24,510
